## Solutions? There's a catalog for that.

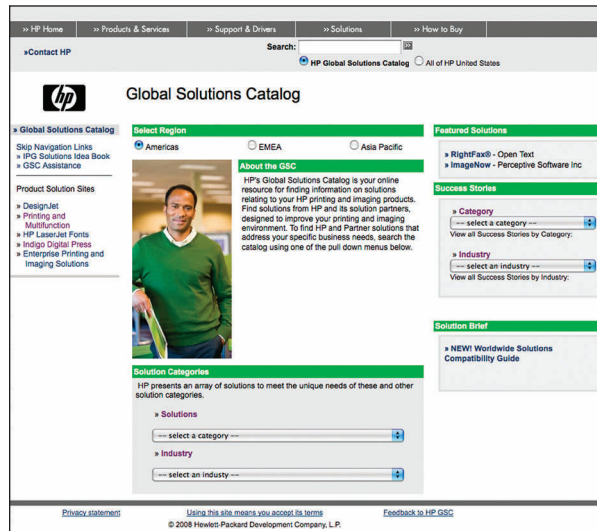

How to use the HP Global Solutions Catalog

## What is the HP Global Solutions Catalog?

The regional HP Global Solutions Catalog (GSC) is an online, real-time catalog of solutions that complement HP printing and digital imaging products. It is an entry point for internal and external customers looking for information and HP-developed sales tools about partner-provided and strategic HP solutions. You can find the HP GSC at [www.hp.com/go/gsc](http://www.hp.com/go/gsc).

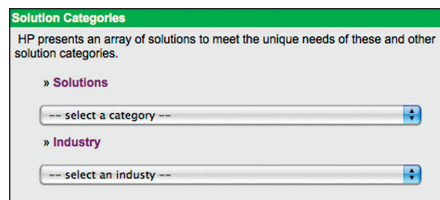

### HP GSC search tips

Two easy ways to search for solutions in the GSC

GSC search at top of page:

- Search by solution name, company, category or other keyword.
- Use double quotation marks if searching with two or more words.
- On the results page, see page numbers at the bottom of screen for more results.

Solution categories – pull-down menus on region homepages:

- Solutions: Search for horizontal solutions by selecting category.
- Industry: Search for vertical solutions by selecting an industry category.
- On the results page, see page numbers at the bottom of screen for more results.

# HP GSC categories and partners

You'll find the following partner solution categories and partners in the HP GSC. Partner solutions extend the capabilities of HP LaserJet/MFP and Scanjet devices to meet these business needs.

## HP partner solution categories:
