Table of Contents

Software compatibility

The following tables provide information about third-party software solutions and indicate the HP products that are compatible with these software solutions. Compatibility is dependent on system variables and is not an indicator of Certification on HP devices. Please contact HP directly to obtain further information about solution certification and to ensure compatibility with your specific system.

Optimize infrastructure continued					
Security: Authentication continued					
FollowMe® by Ringdale					
Significantly reduce printing costs by tracking every printed page and provide a seamless link between output devices, accounting and cost recovery system.					
NA • EMEA • AP					
JetAnyWhere by EPSoft					
JetAnyWhere offers advanced real-time billing and printing control features. With JetAnyWhere print solution, users can enjoy anywhere, anytime printing from either a high-speed wired or wireless access point in a public place.					
NA • AP					
MIPA MFP by Capella Technologies					
Enhance accountability, deter misuse and secure MFP copying and digital sending functions.					
NA—Platinum • EMEA—Platinum • AP—Gold					
Pharos iMFP by Pharos System					
The Pharos iMFP for HP enables authentication, pull-printing, job accounting, and color access control, and facilitates your corporate green initiatives.					
NA—Gold • EMEA • AP					
SafeCom Go HP					
SafeCom is a comprehensive product line for secure and cost-controlled printing for organizations wishing to track and report usage by individual, department or printer					
EMEA—Platinum					
SecureJet 5 Authentication by Jetmobile					
SecureJet Authentication controls access to HP MFPs, digital senders and printers. With this solution, users need their corporate ID to access e-mail, fax, copy, scan workflow and secure printing.					
NA—Platinum • EMEA—Platinum • AP—Gold					
Security: Secure document/check printing					
TROY MICR Toner cartridge by TROY Group, Inc.®					
TROY Formulates MICR toner for each printer according to world-wide banking standards.					
NA—Gold • EMEA—Gold • AP—Gold					
TROY Font Memory Kits—USB by TROY Group, Inc.®					
TROY Font Kits provide the ability to add check printing capabilities to standard HP LaserJet Printers, for MICR printing where security is not a requirement.					
NA—Gold • EMEA—Gold • AP—Gold					
TROY Security MICR Printers by TROY Group, Inc.®					
TROY produces MICR Security Printers, providing consumers with the ability to securely print checks.					
NA—Gold • EMEA—Gold • AP—Gold					
TROY Secure Tray by TROY Group, Inc.®					
When printing important information in a public or workgroup accessible environment, TROY Secure Trays provide the ability to secure paper stock in a lockable input tray.					
NA—Gold • EMEA—Gold • AP—Gold
